<i>If you replace your old system with a...</i>	Heating & Cooling Incentive <i>Ontario Power Authority *</i>	EcoENERGY <i>Natural Resources Canada **</i>	Lennox Consumer Rebate ***	Potential Total Rebates
Furnace: High Efficient min. 94% AFUE w/ECM, <i>when replacing mid Efficient</i>	\$250	\$790	\$100 - \$300	\$ 1,340
Furnace: High Efficient min. 94% AFUE w/ECM	\$250	\$650	\$100 - \$300	\$ 1,200
Furnace: High Efficient 92% AFUE w/ECM	\$250	\$625		\$ 875
Furnace: High Efficient 92% AFUE (no ECM)		\$375		\$ 375
Air Conditioner: 15 SEER+	\$400	\$250	\$100 - \$200	\$ 850
Air Conditioner: EnergySTAR rated	\$250	\$250	\$50	\$ 550
HRV or ERV (Heat or Energy Recovery Ventilator)		\$375		\$ 375
Tankless Water Heater EF .90		\$375		\$ 375
Tankless Water Heater EF .82		\$315		\$ 315

* Heating & Cooling Incentive

All equipment must be EnergySTAR rated and installed between 1/1/2012 and 12/31/2012. For more information visit their website: www.saveonenergy.ca

** EcoENERGY

This program is managed by Natural Resources Canada's Office of Energy Efficiency and is designed to encourage homeowners to invest in upgrades and equipment for their homes to make them more energy efficient. Eligible upgrades include replacing inefficient HVAC equipment such as furnaces and air conditioners and adding items such as tankless water heaters and ventilation systems. These rebates are only available to homeowners that are currently registered for the program. (On January 28, 2012 registration was closed to any new participants.)

Renovations and upgrades must be completed by March 31, 2012 and the final assessment must be completed by June 30, 2012. Rebates are subject to fund availability.

For details, visit: <http://oee.nrcan.gc.ca> or you can call 1 800 O-Canada (1 800 622-6232)

*** Lennox Consumer Rebate

Additional rebate options, up to \$1100, are available for system sales, ask your MetroAir consultant for details. Equipment must be purchased and installed between Jan. 23, 2012 and Feb. 17, 2012. After the equipment installation, MetroAir will register the products and Lennox will send a rebate cheque directly to the homeowner.
